

Official Congressional Petition

Dear Congressman _____:

I am your constituent residing in the state of _____

Forty years ago an atheist took a case to the Supreme Court which removed prayer and Bible reading from our schools.

A new lawsuit by an atheist is in California federal courts to remove the words "under God" from the Pledge of Allegiance to our flag. Already a District Court has ruled the public use of the words "under God" unconstitutional.

Congressman Todd Akin (R-MO) has proposed legislation that will protect "under God" in the Pledge by using the proper and constitutional power of the Congress. His bill, the Pledge Protection Act of 2005 must be passed BEFORE the atheist lawsuit reaches the Supreme Court sometime in the next year.

As your constituent I am requesting that you assist Congressman Todd Akin in the passage of the Pledge Protection Act by co-sponsoring and publicly supporting this legislation.
